General Information

Description

This class encompasses topics in basic chemistry during the Fall semester and basic physics in the Spring semester. Students will also develop reading and math skills necessary for success in subsequent courses such as Biology and Chemistry.

Materials needed

- A writing utensil
- Laptop
- Class Notebook
- Glue and Scissors

Grading

Classwork/Homework: 25%

Labs/Quizzes/Project: 35%

Tests 40%

Google Classroom and Learning Materials

Additional reminders, PowerPoint slides, assignments and study tools will be placed on google classroom.

Assignments

All assignments are expected to be completed and turned into Google Classroom. The due date will be announced on Google Classroom.

Late Assignment Policy

If the assignment is late (not turned in on time) - you will lose receive a maximum grade of 70 after the first day, a 50 the second day, and 0 after the third day.

Tutorials

I offer tutorials Monday through Thursday at Lunch. Tutorials should only be used for the following: making up work, collecting work missed during absences, correct, makeup, retake tests, get help, help others, or finish classwork or labs.

Testing

All tests and quizzes are on Friday.

- **Make Ups (for absent students):** You have 3 school days to make up the test (from the day you get back). You will make up the test during lunch (ANY DAY). If you fail to make up the test within the time period you will receive a 0%.
- **Corrections:** You may always do corrections for half your points back. They will be completed during lunch tutorials; the form is available from the teacher.
- **Retakes:** You may retake one test or quiz per six weeks. You must have received below a 70% to retake. Retakes are Thursday after the exam. To retake you must complete the following:
 - Do corrections.
 - Come to tutorials (at least once).
 - Fill out and sign a retake form (available at the front of the room).
 - The highest grade you will receive on the retake is a 70%.

Cell Phone Policy

Cell phones should not be used without my permission. Students will place their cell phones in a designated area during class. They will collect their cell phone before class ends. Students who do not follow this policy will have their cell phones collected. A parent who needs to contact their child may do so through contacting the front office first.

I acknowledge that I have read and understand the above expectations and policies.
